DISTRIBUSI PRODUCT EXOSKIN

Transparent Bar Soap for woman

Exoskin transparent bar soap for woman protects and takes care of the sensitive skin of the intimate areas, giving a feeling of freshness, softness, comfort and protection, preventing irritation. It is used to maintain intimate female hygiene. Adjusts the pH and prevents irritation and itching, helps maintain muscle tone and normalizes microflora.

Ingredients:

Coconut oil, palm oil, Quercus fruit extract, betel pepper leaf extract, Labis pumila leaf extract, flavoring, sodium hydroxide, titanium dioxide, CI 42090.

How to use:

Using a small amount of water, lather the soap and then apply it on the intimate parts of the body. Then rinse with water until clean.

Exoskin transparent bar soap for woman can be used daily by necessity. Soap can be used during pregnancy, when you need a particularly delicate cleaning, in the case of increased sensitivity, in case of worsening of affections and to prevent them. For a hygienic care it is sufficient to be used 1-2 times per day. In medical and rehabilitation cases it can be used 2-4 times a day.

Shampoo

Exoskin Shampoo amazes you with a gentle cleaning and intensive care, leaving your hair healthy and incredibly silky, which looks as good as it feels! It is perfect for moisturizing hair at its best, has a gentle action on the hair, gently cleanses and protects the whole hair from root to tip. Strengthening the roots of hair, prevention of the hair fall, regulation of the skin lipid balance and sebum control are among its miraculous effects, thus the shampoo helps to relieve itching caused by dandruff. It provides the daily dose of protein, which leads to healthy and shiny hair.

Ingredients:

Aqua, Stearyl Alcohol, Nothopanax Scutellarium, Mer Extract, Apium Graveolens Leaf Extract, Sodium Chlorid, Cocamidopropyl Betaine, Glycerin, Citrus Aurantifolia Extract, Olive (Olea Europaea) Oil, Ginseng (Panax, Ginseng) Extract, Mentha Piperita Extract, DMDM hydantoin, Fragrance, Citric Acid, CI 75810

How to use:

Apply the shampoo on the wet hair, massage and lather it, leave it for 1-2 minutes and then rinse with water until clean. Repeat if necessary.

Shower gel

Exoskin Shower gel wraps your whole body in a feeling of freshness, which lasts throughout the day and is the key to attractiveness and self-confidence. The gel envelops your skin in a soft and fragrant foam, which delights it, thus the skin becomes smooth and hydrated.

Ingredients:

Water, Cocamide DEA (a derivative of coconut oil), aloe vera extract, extract of ylang - ylang, lauryl betaine, PEG-150 distearate cocoamphodiacetate disodium, DI-PPG-3 ester adipirovoy, aroma, CI 75810, DMDM hydantoin, citric acid, glycol stearate, sodium laureth sulfate, sodium metabisulfite solution (sodium pyrosulfite).

How to use:

Apply on the wet body a small amount of shower gel, spread it uniformly with gentle moves until lather is formed. Then rinse with warm water. Can be used daily.

Hand cream

Exoskin hand cream is the first step to have soft and fragrant hands, day after day. It hydrates, nourishes and makes the skin lighter; it is easily absorbed. It protects against harmful effects of external factors. It is applied several times per day, especially for better protection. The glycerin in the composition forms a protective layer on the skin, soothes and regenerates the skin.

Ingredients:

Glycerin, stearic acid, magnesium stearate, glycol, methylparaben, propylene glycol, cetearth -20, titanium dioxide, triethanolamine, Propylparaben, BHT, isopropyl myristate, flavors, cetyl alcohol, allantoin, petrolatum.

How to use:

Apply the cream on clean hands and massage them until its complete absorption.
